Survival Diary

Context

The world has been taken over by zombies. In case you don't survive, you decide to leave a written account of these apocalyptic times.

Step 1 Task model

Find out how to write a survival diary entry by reading the model

Step 2 Preparing to write

There are 3 envelopes labeled: Who, Where and What

Remove and shuffle the cards from each envelope and put the cards face down

Pick one card from each pile

Step 3 Writing

Requirements

1. Write the date
2. Introduce your character (who card)
3. Explain where you are (where card)
4. Using the information you have on the cards, pretend you're that character and write what happened during the day.
5. Your text must be written in first person I

Material Needed

- ✓ Student Booklet
- ✓ 3 envelopes
- ✓ Survival diary example
